## Necrology

1924 ~ 2024

This weekend, we join in prayer for and with those from our Parish who have gone before us marked with the sign of faith.

The following list of those who have been buried from Saint Thomas in the last 100 years was originally compiled from hand-written records. In the last 25 years, we have been able to record the names electronically, however, we apologize for any misspellings in the transposition of names.

Please alert the Parish Office if a correction should be made.
